Medical Training Survey

Thank you for taking time to complete the Medical Training Survey (MTS), which is being conducted for the Medical Board of Australia (MBA) and the Australian Health Practitioner Regulation Agency (Ahpra).

Survey description

The purpose of the MTS is to collect data from doctors in training to:

- better understand the quality of medical training in Australia,
- identify how best to improve medical training in Australia, and
- recognise and deal with potential issues in medical training that could impact on patient safety, including environment and culture, unacceptable behaviours and poor supervision.

The results will be used as a quality improvement tool, to strengthen medical training in Australia. The results of the MTS will be published in the interests of transparency. Specialty and jurisdiction specific reports derived from MTS data may be generated, while assuring participant confidentiality. Stakeholders may apply MTS data to improve medical training in Australia.

The MTS is being administered by EY Sweeney and will take approximately 15 minutes to complete.

Click here for more information about participation.

How to complete the survey

Use your mouse to "Click" the relevant circles or boxes to mark your selection with a black dot or a tick. Some questions require you to type in your answers.

You may close the survey down and re-enter at the point you left off. To do so, use the link in the email invitation (interns and international medical graduates) or in your confirmation of registration email (all other doctors in training).

Once you have completed all questions on a page you will need to click the "Next" Button to proceed to the next screen. In order for your answers to be sent you must click the "Submit" button at the end of the survey.

Please press **NEXT** to continue.

For access to the EY Sweeney Privacy Policy, click here (https://eysweeney.com.au/privacy-policy). For any technical problems with this survey please send an e-mail by selecting on the link that appears at the bottom of each page.

Medical Training Survey

Your part in the MTS

- Participation in the MTS is voluntary. Participants may withdraw from participating in the MTS at any time without providing a reason.
- The MTS asks participants questions about their experience of medical training in Australia.
- You may withdraw from participating in the survey at any time without providing a reason.

The MBA and Ahpra acknowledge that participation in the MTS and reflections on medical training might cause discomfort or even distress. For this reason participants may skip questions and proceed to the next question.

Privacy information

Any information collected in the MTS will be treated confidentially and anonymously, and in accordance with the *Privacy Act 1988* (Cth) and the Health Practitioner Regulation National Law (the **National Law**). MTS data collected will only be used for the purposes described above.

In completing the MTS, we ask that participants do not provide responses that may identify them or other individuals. Only EY Sweeney team members will have access to individual MTS responses and will take steps to de-identify and MTS data that may identify a participant or another individual. EY Sweeney will only provide the MBA and Ahpra with deidentified reports with aggregated MTS data.

Information participants provide in the MTS will be stored and handled securely. EY Sweeney use a third party provider to store data in the cloud hosted in Australia. The third party provider is subject to obligations to store and handle data in accordance with the *Privacy Act 1988* (Cth) and the National Law.

Ahpra's Privacy Policy explains how participants may access and seek correction of personal information held by Ahpra and the MBA; complain to Ahpra about a breach of their privacy; and how a complaint will be dealt with. For access to Ahpra's Privacy Policy, click here (<u>https://www.ahpra.gov.au/About-AHPRA/Privacy.aspx</u>). For access to the EY Sweeney Privacy Policy, click here (<u>http://eysweeney.com.au/contact-us/privacy-policy.</u>

Data management

To maintain confidentiality and anonymity of survey responses, the survey is being administered by EY Sweeney an independent and accredited (ISO20252:2019 Market and Social Research Standard) market research agency who is independent of the MBA and Ahpra.

All MTS data is securely stored in Australia in accordance with The Research Society Code of Professional Behaviour, ISO 20252:2019 – Market and Social Research Standard, Australian Data and Insights Association (ADIA) Privacy (Market and Social Research) Code 2014, Australian Privacy Principles of the Privacy Act 1988 (Cth) and ISO 27001-2013 (Certificate for Information Security Management accreditation).

Use and sharing of survey data

The MBA and Ahpra anticipate using the MTS data to:

- provide organisations with MTA result reports, including benchmarking, so they can identify focus areas, develop action plans and improve medical training;
- inform sector-wide strategies and campaigns in response to medical training issues, such as workplace environment and culture, patient safety and poor supervision;
- publicly report on medical training issues; and
- provide stakeholders and the public with data about the quality of medical training.

All reporting will endeavour to protect the identity of individual participants. For example:

- EY Sweeney will take steps to de-identify any MTS data that may identify a participant or another individual; reports will only be provided where 10 or more responses have been received;
- MTS data is provided to stakeholders and the public in accordance with the *Privacy Act 1988* (Cth) and the National Law; and
- EY Sweeney will not provide individual MTS responses to third parties outside of MBA and Ahpra.

Contact

The Ahpra point of contact for this project is MTS@ahpra.gov.au.

For any technical problems with this survey, please contact EY Sweeney via phone on 1800 983 160 or via e-mail at <u>medicaltrainingsurvey@au.ey.com</u> (this email appears at the bottom of each page).

Non-technical queries, such as questions regarding the content of the MTS, queries about participant rights or complaints about the manner in which the MTS is being conducted, should be directed to Ahpra via email at <u>MTS@ahpra.gov.au</u>.
