

2023 Medical Training Survey

The Royal Australasian College of Surgeons

INTRODUCTION

The Medical Board of Australia's Medical Training Survey (MTS) is a national, profession-wide survey of doctors in training in Australia. This infographic is for the Royal Australasian College of Surgeons for which 483 trainees responded to the survey. It is confidential and generates data used to strengthen medical training in Australia. The MTS is conducted annually with doctors in training, with 2023 being the fifth year.
