

2023 Medical Training Survey

The Australasian College of Dermatologists

INTRODUCTION

The Medical Board of Australia's Medical Training Survey (MTS) is a national, profession-wide survey of doctors in training in Australia. This infographic is for the Australasian College of Dermatologists for which 49 trainees responded to the survey. It is confidential and generates data used to strengthen medical training in Australia. The MTS is conducted annually with doctors in training, with 2023 being the fifth year.

NATIONAL RESPONSE RATES

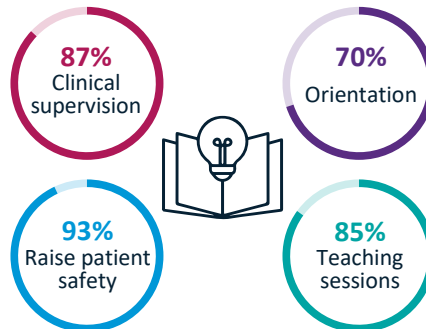

▲ ▼ Significant difference between the results of 2022 and 2023
