

2023 Medical Training Survey

Australian College of Rural and Remote Medicine

INTRODUCTION

The Medical Board of Australia's Medical Training Survey (MTS) is a national, profession-wide survey of doctors in training in Australia. This infographic is for the Australian College of Rural and Remote Medicine for which 546 trainees responded to the survey. It is confidential and generates data used to strengthen medical training in Australia. The MTS is conducted annually with doctors in training, with 2023 being the fifth year.

NATIONAL RESPONSE RATES

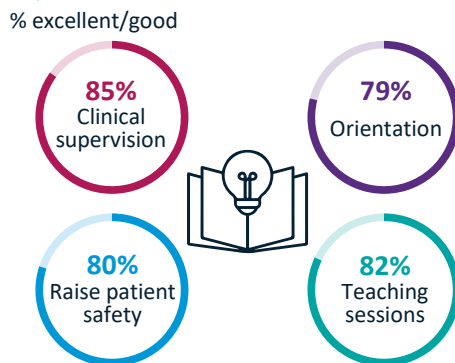

▲ ▼ Significant difference between the results of 2022 and 2023
