

2024 Medical Training Survey

The Royal Australian and New Zealand College of Psychiatrists

INTRODUCTION

The Medical Board of Australia's Medical Training Survey (MTS) is a national, profession-wide survey of doctors in training in Australia. This infographic is for the Royal Australian and New Zealand College of Psychiatrists (RANZCP) for which 949 trainees responded to the survey. It is confidential and generates data used to strengthen medical training in Australia. The MTS is conducted annually with doctors in training, with 2024 being the sixth year.
