

## 2024 Medical Training Survey Victoria

## **INTRODUCTION**

The Medical Board of Australia's Medical Training Survey (MTS) is a national, profession-wide survey of doctors in training in Australia. This infographic is for Victoria for which 6,064 trainees responded to the survey. It is confidential and generates data used to strengthen medical training in Australia. The MTS is conducted annually with doctors in training, with 2024 being the sixth year.
