

# **2024 Medical Training Survey**

## Western Australia

#### INTRODUCTION

The Medical Board of Australia's Medical Training Survey (MTS) is a national, profession-wide survey of doctors in training in Australia. This infographic is for Western Australia for which 2,648 trainees responded to the survey. It is confidential and generates data used to strengthen medical training in Australia. The MTS is conducted annually with doctors in training, with 2024 being the sixth year.

## NUMBER OF WA TRAINEES WHO PARTICIPATED

## **SAMPLE PROFILE**

<1% Nonbinary I use a different term 3% Prefer not to say

34.2 years Average age of participant

1% Indigenous trainees

5.5 **T** Average PGY

Average years in college program

86% Worked full time

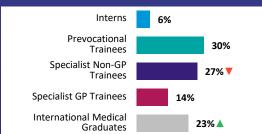

82% Working at hospital

Identify as having a disability
