

2025 Medical Training Survey

Australasian College for Emergency Medicine

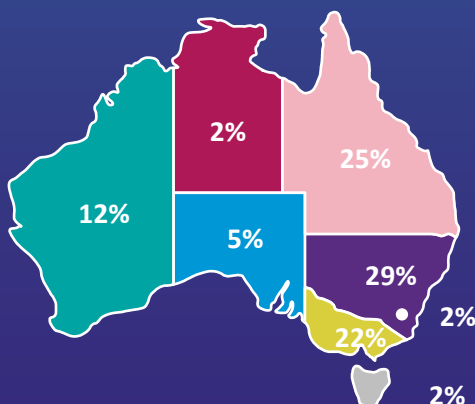

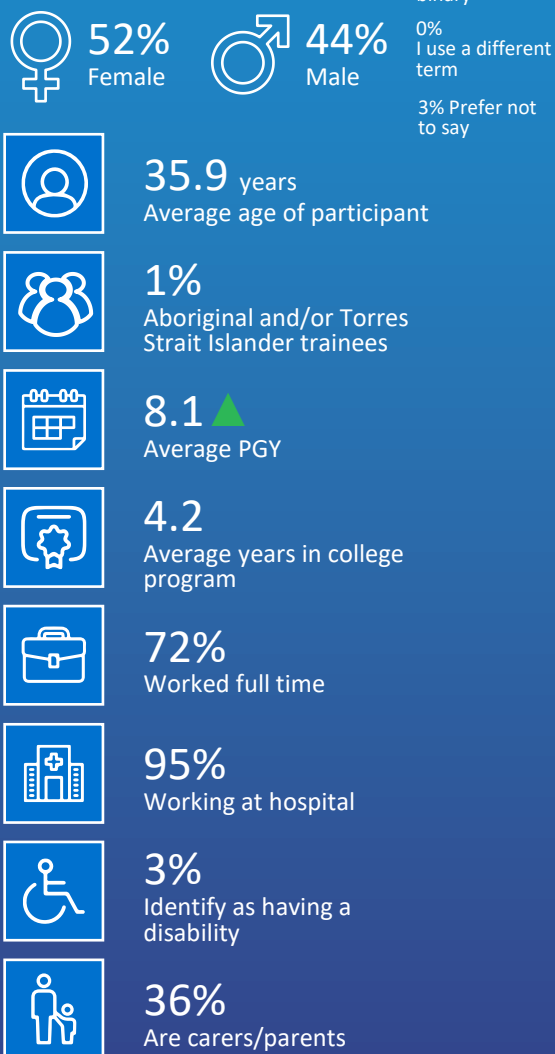

INTRODUCTION

The Medical Board of Australia's Medical Training Survey (MTS) is a national, profession-wide survey of doctors in training in Australia. This infographic is for the Australasian College for Emergency Medicine for which 744 trainees responded to the survey. It is confidential and generates data used to strengthen medical training in Australia. The MTS is conducted annually with doctors in training, with 2025 being the seventh year.

NUMBER OF ACEM TRAINEES WHO PARTICIPATED

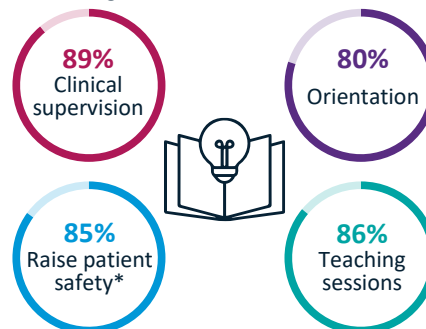

SAMPLE PROFILE

The above map shows the current term/rotation or placement % by state.

QUALITY OF TRAINING

% excellent/good

*Excludes those who reported that they did not receive this training

RECOMMEND TRAINING

84% Strongly agree/agree they would recommend their current training position to other doctors

87% OF TRAINEES
HAVE RECEIVED TRAINING ON HOW TO PROVIDE CULTURALLY SAFE CARE
