

# 2025 Medical Training Survey

## Australian College of Rural and Remote Medicine

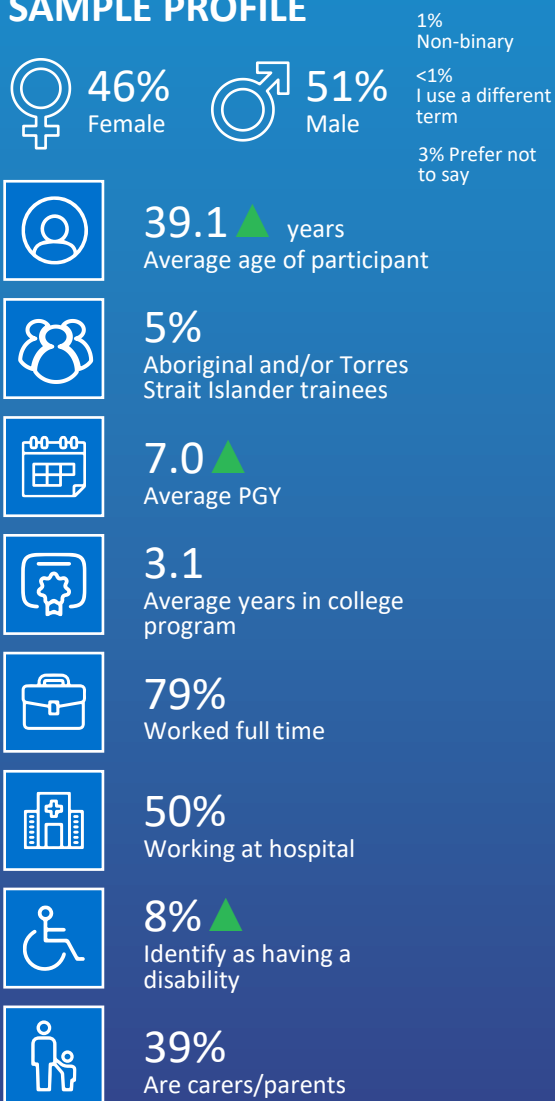

### INTRODUCTION

The Medical Board of Australia's Medical Training Survey (MTS) is a national, profession-wide survey of doctors in training in Australia. This infographic is for the Australian College of Rural and Remote Medicine for which 405 trainees responded to the survey. It is confidential and generates data used to strengthen medical training in Australia. The MTS is conducted annually with doctors in training, with 2025 being the seventh year.

### NUMBER OF ACRRM TRAINEES WHO PARTICIPATED

### SAMPLE PROFILE
