

2025 Medical Training Survey

The Royal Australasian College of Medical Administrators

INTRODUCTION

The Medical Board of Australia's Medical Training Survey (MTS) is a national, profession-wide survey of doctors in training in Australia. This infographic is for the Royal Australasian College of Medical Administrators for which 70 trainees responded to the survey. It is confidential and generates data used to strengthen medical training in Australia. The MTS is conducted annually with doctors in training, with 2025 being the seventh year.

NUMBER OF RACMA TRAINEES WHO PARTICIPATED

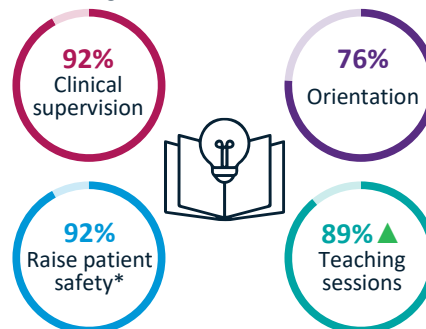

SAMPLE PROFILE

QUALITY OF TRAINING

% excellent/good

*Excludes those who reported that they did not receive this training
